

LAKE HAMANA HANAHAKU 2024 Hamamatsu Flower Park Venue

2024. 3/23 開幕!

Sun

Surrounded by lots of flowers and greenery
A spectacular experience beyond imagination

The venue is full of extraordinary emotions!

Enjoy your day and night to the fullest!
There are many special performances only available during the Hamanako Flower Expo.

Giant characters jump out of the fountain one after another
A dazzling world of music, light and images

Impressive big water fantasia
“Flowers become your companions and make you excited.”

Giant bees and turtles to the tune of music,
Characters appear one after another on the fountain.
Jumps out and is impressive! No one has ever seen it before.
Stay tuned for Japan's largest fountain show!
*Please check the website for the dates of night performances.

One of the largest water screen in Japan!
Dazzling giant fountain show

An impressive special theater where you can experience 360-degree images
“Hanamidori Video Museum”

Feel like a fairy at the flower park and experience the feeling of being surrounded by overwhelmingly beautiful flowers through 360-degree video! You can also experience a comparison with VR goggles that allow realistic 360-degree image manipulation.
※Held at the special theater on the second floor of Hanamidorikan throughout the period.

welcome garden

We welcome you at the flower spot designed by **Keiko Yoshiya**, which has an exciting, welcoming feel and impact.

※image

A new garden full of charm

The creation of three gardens by a **popular garden designer**, suitable for the Flower Expo. It is certain that the charm of Hanamidori will spread further. It's sure to become a hot topic as a "photogenic HAE spot"!

flower forest

A new type of immersive garden created by **Keiko Yoshiya** where you can be surrounded by the beauty of nature from your feet to your head.

※image

field of flowers

A biodiversity sustainable garden supervised by **Tamako Ogura** that resembles a field where flowers gently sway in the breeze.
